

Henstridge Parish Council Planning Application Consideration 2008

	Date Considered	Reference	Description	Location and Applicant	Parish Council Advice	SSDC Decision	Valid from
1	07/01/08	07/05353/FUL	Erection of extensions to bungalow to provide first floor accommodation and garage	GR (372298/120241) Clay Pits Barn Whitechurch Lane Henstridge Templecombe Somerset BA8 0PA. Mrs Bunnell	recommend approval	Permission granted	10/12/08
2	07/01/08	07/05634/FUL	The formation of access, the erection of a double garage and a two storey extension to dwelling	(GR374499/121166), Hardings Bungalow, The Marsh, Camp Road, Henstridge. Mr and Mrs D Barter	recommend refusal on highways safety grounds over the creation of a new access on to Camp Road between the existing access and the A30.	Permission granted	12/12/07
3	07/01/08	07/05635/FUL	Demolition of existing buildings and the erection of 12 dwellings and 5 workshops	(GR372199/120197), Precision Clutch Centre, Shaftesbury Road, Henstridge, BA8 0PP, Project 20 Ltd.	recommend refusal on the grounds that the provision of workshops in the residential setting is inappropriate and if permitted would generate an undetermined amount of extra traffic movements on to a bad road with poor visibility.	Application withdrawn	19/12/08
4	21/01/08	07/05552/FUL	Demolition of existing houses and the erection of 36 dwellings and modification of existing highway.	(GR 372419/119538) Land And Houses At Woodhayes, Henstridge Somerset. South Somerset Homes Ltd.	Whilst the Council support the provision of housing in the somewhat vain hope that this will directly benefit members of the parish, they most strongly oppose the application as an unsuitable and gross over development. They are also opposed until the applicant can prove, and it is conditioned that drainage provision is made to ensure that the site run off is no more or better than that which currently exists.	Permission Granted	21/12/07

	Date Considered	Reference	Description	Location and Applicant	Parish Council Advice	SSDC Decision	Valid from
	10/03/08		Amended plans		<p>Furthermore whilst the design and access statement records no increase in traffic, an increase in parking spaces to almost twice the existing would suggest the statement to be intentionally misleading. The Council would suggest a proper traffic assessment be undertaken and any resultant necessary traffic improvements be funded by the applicant through a 106 agreement. Finally the Council would wish to see that bungalows are provided in preference to 2 storey dwellings, as these are better suited to the villages requirements and will reduce the problems of overlooking.</p> <p>Support the principles of the revised design and to thank the District Council and the applicant for the attention paid to the Committee's previous comments. However members must remain insistent that if consent is granted assurance must be given that the developers will be asked to support the securing of a traffic regulation order, to change priority at the Woodhayes Furge Lane junction and to make the road from the High Street to the junction one way, entry only from the High Street. Also that the developer is asked to reconsider</p>
