Clerk: Zoe Godden.

There were 2 members of the public in attendance.

The meeting began at 19:00

1. Apologies and to approve reasons for apology as seen fit.

Apologies had been received from Geoff Jarvis and Peter Crocker and the Council advised of the reasons for absence.

RESOLVED: It was proposed and agreed to approve the reasons for apology as provided.

2. Declarations of Interest.

There were no declarations of interest

3. To approve as a correct record the minutes of the previous meetings held on 21.11.11.

RESOLVED: It was proposed and agreed to defer this item as the minutes were not ready for signature.

4. To consider the following planning applications.

a	11/05020 /FUL	Erection of a replacement building for repair, maintenance and storage of events infrastructure, including office accommodation	Mr Michael Brent, Land at Bowbridge, The Marsh, Camp Road, Henstridge
---	------------------	---	---

The application was discussed. The council commented that it may provide new employment for the area and that the site was within the existing development zone. It was noted that there had been an objection from a neighbour who was concerned about the possibility of potential flooding that may be caused but this was thought to have been dealt with by the SSDC Technical Engineering department who have stipulated that drainage would be via soakaway.

RESOLVED: It was proposed and agreed that, as the site is in the existing development zone, the parish council fully supports the application on the condition that, as per the SSDC Technical Engineers comments, drainage water is dealt with via soakaways.
